### SISTER CITY VISIT

Burbank Police Chief Mike Albanese and Mayor Nick Schultz recently hosted officials from Incheon, South Korea, taking them on a tour of City Hall and the Burbank Police Department.

Fun Fact: The friendship between the citizens of Burbank and Incheon resulted from a letter written by an Incheon student requesting Burbank's help to obtain books written in English, so that people in his community could learn the English language and discover more about life in America.

Incheon and Burbank's Sister city affiliation was formed in October of 1961!

# Traffic Enforcement & Education

The Burbank Police Department is committed to ensuring the safety of the citizens in our community. Impairment, speeding, street racing, and other dangerous driving behaviors jeopardize the safety of other people on the road. We continue to enforce traffic laws with the goal of reducing collisions, educating the citizens in our community, and keeping our community safe. This is achieved through the establishment of preventative patrols to manage specific categories of unlawful driving behavior.

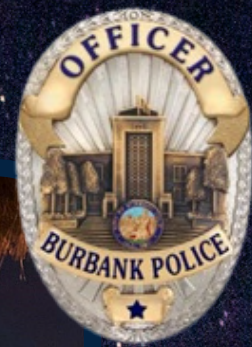

Traffic enforcement strategies are based on collision data, enforcement activity records, traffic volume, and traffic conditions. Several methods contribute to our overall goal: arrests, citations, warnings, and education. Through these methods and efforts, we strive to educate our community on the importance of safe driving and we aim to keep our community safe.
