Baker to Vegas

Team Burbank had a great year at this year's 120-mile relay race that began in Baker, CA and ended in Las Vegas, NV.

The team's overall final time was 15:14:04 beating the defending champions (Culver City PD) by only 11 seconds placing #1 in their category of 150 sworn members.

The team expressed their gratitude to the support staff who helped with the run, and the community for their continuous support!

COMMUNITY ENGAGEMENT

MARCH 2024

☑ *Coffee with a Cop*

Community members connected with their local police officers over coffee and pastries. The Burbank police department partnered with Cafe Grano and Downtown Burbank PBID to put together this event.

☑ *Cookies for the Crew*

ABC's 9-1-1 TV production treated our hardworking police and fire personnel to some delicious cookies and coffee. What a kind gesture!

Traffic Enforcement & Education

The Burbank Police Department is committed to ensuring the safety of the citizens in our community. Impairment, speeding, street racing, and other dangerous driving behaviors jeopardize the safety of other people on the road. We continue to enforce traffic laws with the goal of reducing collisions, educating the citizens in our community, and keeping our community safe. This is achieved through the establishment of preventative patrols to manage specific categories of unlawful driving behavior.

Traffic enforcement strategies are based on collision data, enforcement activity records, traffic volume, and traffic conditions. Several methods contribute to our overall goal: arrests, citations, warnings, and education. Through these methods and efforts, we strive to educate our community on the importance of safe driving and we aim to keep our community safe.

Traffic Enforcement Stats: March 2024

DUI ARRESTS	→	26
TRAFFIC CITATIONS	→	750
PEDESTRIAN COLLISIONS	→	8
