April 28, 2022

**Burbank, California** – An investigation is underway after a traffic collision resulted in one fatality.

Today, around 12:30 p.m., Burbank Police and Paramedics responded to the area of Front Street and Magnolia Boulevard regarding a serious traffic collision involving two vehicles. When police officers arrived, they located one male with significant injuries seated in the driver's seat of a blue colored sedan. Efforts were made to extract and render aid to the male driver, but he was pronounced deceased at the scene. There were no other occupants in his vehicle.

Officers also located a female with serious injuries seated in a white colored SUV and no other occupants. The female was transported to a local hospital to be treated for non-life-threatening injuries.

Witnesses near the scene reported seeing the blue sedan driving at a high rate of speed before the collision occurred.

At this time, it is unknown whether drugs, alcohol, or a combination of both were factors in this collision. Preliminarily, unsafe speed is likely contributing factor to the collision.

The decedent has only been identified as a male. The Burbank Police Department is working with the Los Angeles County Coroner's Office to identify the decedent and notify the next of kin.

Anyone who witnessed this collision is asked to contact the Burbank Police Department Traffic Bureau, at 818-238-3103.
