## Newest Burbank Police Officers

On June 24, the Burbank Police Department welcomed two new Police Officers, who graduated from the Los Angeles County Sheriff's Department Academy, Class #459.

Officer Hill (left) and Officer Rossi (right) have begun the training program within the Patrol Division.

# Traffic Enforcement & Education

The Burbank Police Department is committed to ensuring the safety of the citizens in our community. Impairment, speeding, street racing, and other dangerous driving behaviors jeopardize the safety of other people on the road. We continue to enforce traffic laws with the goal of reducing collisions, educating the citizens in our community, and keeping our community safe. This is achieved through the establishment of preventative patrols to deal with specific categories of unlawful driving behavior.

Traffic enforcement strategies are based on collision data, enforcement activity records, traffic volume, and traffic conditions. Several methods contribute to our overall goal:

arrests, citations, warnings, and education. Through these methods and efforts, we strive to educate our community on the importance of safe driving and we aim to keep our community safe.

# Burbank Police Cadet Program

The Burbank Police Cadet program is a career development program for young men and women in college who are interested in law enforcement. This career opportunity is a part-time paid civilian position (non-sworn).

Police Cadets perform a variety of tasks in various divisions of the Department in conjunction with a training program intended to introduce the incumbent to a variety of law enforcement careers through practical experience.

## Parking Control Officer Celebrates Retirement

Parking Control Officer Chris Morales is retiring at the end of July following 26 years of service to the Department and City of Burbank.

Chris enjoys and plans to spend more time watching the Dodgers, LA Kings, and horse racing.

The Department thanks Chris for his years of dedicated service and we wish him well as he moves on to new adventures.

# FOURTH OF JULY

## Pet Safety

- Don't take your pets to fireworks displays. Loud noises and fireworks may frighten them. It's safer to leave them at home.
- Never leave pets unattended in parked vehicles, especially on hot days. Pets can become overheated quickly. This is not only cruel, but unlawful. Pets can also injure themselves trying to escape a vehicle if they become frightened by fireworks.
- Keep your pets indoors, but avoid leaving them home alone. If you must leave them at home, consider keeping them inside of a soft pet crate. Also, leave the radio or television on to drown out any noise created by fireworks.
- Make sure your pet(s) are wearing identification at all times. The Burbank Animal Shelter microchips pets for Burbank residents, so make sure your contact information and pet licenses are up-to-date.
- If your pet becomes lost, call the animal shelter. Leave a message if calling after hours.

# Enjoy the 4th of July Safely.

## REMEMBER, ALL FIREWORKS ARE DANGEROUS AND ILLEGAL

The Burbank Police and Fire Departments would like to wish everyone a happy and safe Independence Day. We would also like to remind the community that the possession or use of any fireworks is illegal in the City of Burbank. Burbank Police will be on the lookout for fireworks throughout the Fourth of July holiday period. Anyone caught in possession of fireworks will have them confiscated and be subject to a citation or arrest.

Fireworks, even those marked as 'safe and sane,' are dangerous and against the law in Burbank. In recent years, fireworks have been one of the leading causes of injuries requiring hospital emergency room treatment. Fireworks can result in severe burns, fractures, scars, and even death or disfigurement. Serious injuries each year typically harm the eyes, and/or hands.

We encourage everyone to enjoy the amazing professional fireworks show hosted by the Burbank Parks and Recreation Department at the Starlight Bowl. For tickets, visit [www.StarlightBowl.com](http://www.StarlightBowl.com).

Additionally, Burbank Police want to remind residents that celebratory gunfire is not only dangerous, but illegal. A stray bullet from a gun can kill someone. Shooting a gun into the air is a felony and if you are caught, you will be arrested and prosecuted. If you see someone fire a gun into the air, call the police.

Finally, we remind the community that drone (UAS) operations are unlawful within the city limits under federal law, with limited exceptions, as well as Burbank Municipal Code, which makes it illegal to operate drones near fireworks, police and/or fire operations, at night, or over people, among several other restrictions.

Please celebrate the Fourth of July holiday safely and responsibly. Do not fire guns into the air and do not use illegal fireworks.
