# Application Period Opens for Fall Community Academy

The Burbank Police Department Community Academy was created to give individuals an opportunity to see how police officers work and gain a better understanding of departmental operations. The Community Academy course is designed to familiarize citizens with the department's community policing philosophies, internal policies, and the guiding principles of law and ethical conduct governing the delivery of police services within our community. The application period for the fall academy is now open.

The academy consists of ten class sessions. Class sessions are held once per week on Thursday evenings, from 6:30 p.m. to 9:00 p.m., in addition to one Saturday class, tentatively scheduled for December 14, 2019, from 9:00 am to 2:00 pm. The first class session will be held on Thursday, October 17, 2019.

Please note that class will not be held on the following dates: 10/31/19, 11/28/19, 12/12/19, 12/26/19, & 1/2/20.

Graduation is scheduled for Thursday, January 16, 2020. Eligible candidates must live or work in the City of Burbank.

## Burbank Police Set to Raise Money, Awareness for Breast Cancer Research in October

The Burbank Police Department will once again show its support in the fight against breast cancer throughout October by unveiling a pink-wrapped police S.U.V. and a pink-wrapped police motorcycle.

This will be the third year that Burbank Police have "gone pink" for Breast Cancer Awareness Month. The campaign will again be a team effort with Wrapix Imaging of Burbank, a company specializing in a wide variety of custom-printed vinyl graphics.

Wrapix Imaging has donated all of the vinyl wrap materials and labor. Owner Adam Sumner says the project is especially important to him and his family, who have been affected by the disease.

The pink police cruiser will be on display throughout October at various community events, while the motorcycle will be used on-duty by a uniformed traffic officer. The purpose behind wrapping these vehicles in pink is to draw attention and encourage regular screenings for the early detection of breast cancer.

In addition, Burbank Police have also joined the Pink Patch Project and will be selling Burbank Police pink patches throughout the month of October to raise money for City of Hope and cancer research. They can be purchased at the front counter of the Burbank Police Department for \$10 each, limit three per person.

# Burbank Students Visit First Responders on 9/11

Students from several different Burbank elementary schools paid a visit to Burbank Police and Fire Departments on September 11, 2019. In remembrance of the 18th anniversary of the terrorist attacks against the United States, the students delivered stacks of handmade cards from their classmates honoring first responders, fallen heroes, and everyone affected by the tragic events of 9/11.

Parents also brought pizzas, salads and other treats for Burbank Police Officers to enjoy, just in time for dinner.

Each year, Burbank Police Officers and Firefighters take time to remember and commemorate 9/11, and to honor those who lost their lives and fought to save lives.

# HALLOWEEN SAFETY TIPS

Halloween is a time to celebrate and enjoy the annual traditions of dressing up in costumes and trick-or-treating for those savory sweets. It is a time for fun with friends, family, and neighbors. The Burbank Police wish you a safe and Happy Halloween on October 31.

In an effort to help the Burbank community enjoy Halloween safely, the Burbank Police Department is sharing the following tips for motorists, parents, and trick-or-treaters:

## Motorists

- Please slow down, especially in residential neighborhoods, and obey all traffic signs and signals. We ask that you drive below the speed limit and be alert for children walking and crossing the street.
- Dark costumes can be hard to see, especially at night. Please be on the lookout for trick-or-treating enthusiasts and remember they may not always see you.

## Parents

- Make sure small children are supervised at all times by an adult, and that children under the age of 14 are accompanied by a responsible guardian.
- Plan and discuss the route your trick-or-treaters will follow and make sure they stick to it.
- Encourage children to remain in groups, if possible.
- Teach children to stop only at well-lit houses and to never enter a stranger's home.
- Establish a time for children to return home.
- Tell children not to eat any treats until they get home.
- Inspect treats and get rid of any that look as though they've been opened or tampered with.

## Trick-or-Treaters

- Be visible! Wear reflective tape on costumes to improve visibility to motorists and others.
- Wear disguises that don't obstruct vision and avoid face masks. Instead, consider using nontoxic face paint.
- ELIMINATE distractions and avoid using cell phones or ear buds/headphones while walking.
- Ensure any props are flexible and blunt-tipped to avoid injury from tripping or horseplay.
- Carry a flashlight and place it face down in the treat bucket to free up one hand. Never shine it into the eyes of oncoming drivers. When crossing the street, hold the flashlight and point it towards the ground to illuminate your surrounding area and alert drivers to your presence.
- Have your parent or guardian inspect all treats and never consume any candy that appears to have been opened or tampered with.

The Burbank Police encourages the reporting of suspicious or illegal behavior. For non-emergencies in Burbank, call (818) 238-3000. For emergencies, dial 9-1-1.
