BURBANK POLICE DEPARTMENT Community Newsletter | September 2022

Newest Burbank Police Officers

On August 18, the Burbank Police Department welcomed two new Police Officers who graduated from the Los Angeles County Sheriff's Department Academy, Class #461.

Officer Crossley (left) and Officer Andrews (right) have begun the training program within the Patrol Division.

Traffic Enforcement & Education

The Burbank Police Department is committed to ensuring the safety of the citizens in our community. Impairment, speeding, street racing, and other dangerous driving behaviors jeopardize the safety of other people on the road. We continue to enforce traffic laws with the goal of reducing collisions, educating the citizens in our community, and keeping our community safe. This is achieved through the establishment of preventative patrols to manage specific categories of unlawful driving behavior.

Traffic enforcement strategies are based on collision data, enforcement activity records, traffic volume, and traffic conditions. Several methods contribute to our overall goal:

arrests, citations, warnings, and education. Through these methods and efforts, we strive to educate our community on the importance of safe driving and we aim to keep our community safe.

Veteran Police Volunteer Retires

John Kemmerer has served as a Burbank Police Volunteer since 2007. John has earned the Burbank Police Department's Volunteer of the Year Award and several President's Volunteer Service Awards.

John has demonstrated an outstanding attitude and genuine commitment to the Department and has made invaluable contributions to the effectiveness of the BPD in its continuing quest for excellence.

We thank John for his 15 years of dedicated volunteer work for the Department and wish him well as he moves on to new adventures.

National Night Out 2022

On August 2, the Burbank Police Department hosted its annual National Night Out event at Johnny Carson Park for the second year in a row. Dubbed "America's Night Out Against Crime," this was the 39th anniversary of National Night Out, an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to help make our neighborhoods safer, more caring places to live.

Despite the hot summer temperatures, hundreds of people from the local community stopped by to show their support. Community members were greeted with family-friendly activities, and food from Burbank establishments. The Department also had an assortment of police vehicles and specialty units on display.

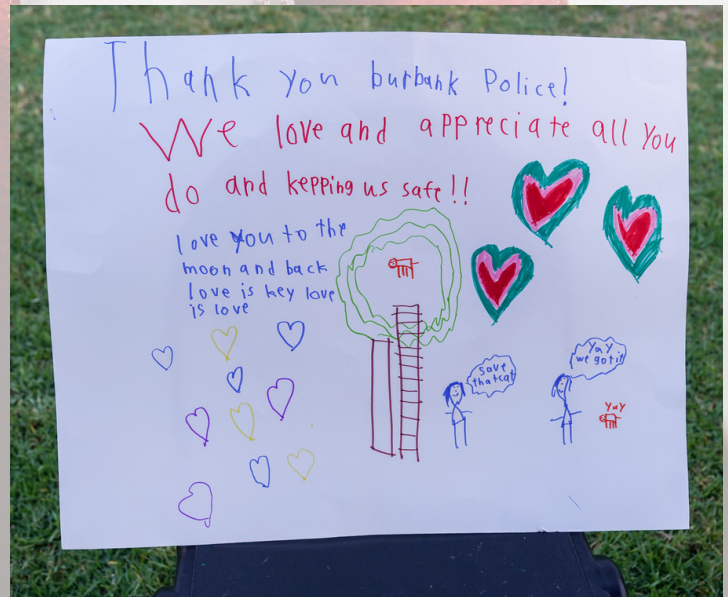

This year's turnout was by far the largest we have seen, and we thank the community for helping make National Night Out a success.

 SPACE IS LIMITED.**

WHAT IS 988?

988 is the new nationwide **three-digit number now available for suicide and mental health crisis, available to everyone in the U.S.**

This easy-to-remember number will route callers to the 988 Suicide and Crisis Lifeline network, where compassionate, accessible care and support are available for anyone experiencing a mental health-related emergency – whether that is thoughts of suicide, a mental health or substance use crisis or any other kind of emotional distress. People can also dial 988 if they are worried about a loved one who may need crisis support.

What to expect when you contact 988

The goal of the 988 Lifeline is to provide free, 24/7, confidential, immediate crisis intervention and support. Here's how it works:

- 1 If you call 988, **you'll hear a message that you've reached the Lifeline.** If you are a veteran, you can press "1" to reach the Veterans' Crisis Line or "2" to reach Spanish-speaking crisis counselors for the Lifeline.
- 2 If you don't select either option, or if you text or chat, **a trained crisis counselor will answer.** (For texters, you will be prompted to text 838255 if you want to reach the Veterans' Crisis Line.)
- 3 **Spanish crisis services are available for callers to 988,** and translation services are available in more than **150 additional languages.** TTY is available for deaf or hard-of-hearing callers by dialing 711 then 1-800-273-8255.
- 4 The counselor will engage you to **understand how your or loved one is impacted** and what help you might need.
- 5 The counselor will provide **support and share resources and referrals.**

* In some communities, the crisis line may be able to connect you to additional services or follow up with you to ensure you've connected with care (note: not all communities currently have this capacity).

Additional resources

There are additional resources if you are not experiencing a crisis, but seeking information, referrals and support

NAMI HelpLine (1-800-950-6264) is a free peer-support service providing information, resource referrals and support for people living with a mental health condition, their family members and caregivers, mental health providers and the public. While the NAMI Helpline allows you to speak with a peer who can connect you to NAMI resources, it is **not a hotline, crisis line, or a suicide prevention line.** It is available M-F from 10 A.M. to 10 P.M. ET.
