

# FOURTH OF JULY

## Pet Safety

- Don't take your pets to fireworks displays. Loud noises and fireworks may frighten them. It's safer to leave them at home.
- Never leave pets unattended in parked vehicles, especially on hot days. Pets can become overheated quickly. This is not only cruel, but unlawful. Pets can also injure themselves trying to escape a vehicle if they become frightened by fireworks.
- Keep your pets indoors, but avoid leaving them home alone. If you must leave them at home, consider keeping them inside of a soft pet crate. Also, leave the radio or television on to drown out any noise created by fireworks.
- Make sure your pet(s) are wearing identification at all times. The Burbank Animal Shelter microchips pets for Burbank residents, so make sure your contact information and pet licenses are up-to-date.
- If your pet becomes lost, call the animal shelter. Leave a message if calling after hours.
