COMMUNITY ACADEMY GRADUATION

Congratulations to the 40th Burbank Police Department Community Academy Class, which graduated on April 10th! The annual spring Academy was created to give citizens an opportunity to see how police officers work and to gain a better understanding of Departmental operations. Participants committed to ten class sessions that were held once per week on Thursday evenings.

Thank you graduates for taking the time to learn about the Department's community policing philosophies, internal policies, and the guiding principles of law and ethical conduct governing the delivery of police services within our community.

Community Outreach

On March 25th, MHET held a community outreach event at Artelice Patisserie to welcome our new MHET Officer, Officer Sudbrook, and Licensed Clinical Social Worker, Estela Magana. Thank you to everyone who stopped by and helped make it a success!

OUR HOUSE
GRIEF SUPPORT CENTER
5K Walk & Remember

SUNDAY, APRIL 27, 2025

Losing a loved one leaves a lasting impact, but you don't have to walk through grief alone.

Our House Grief Support Center is hosting its annual 5K: Walk & Remember, in Encino, for the community to come together to remember and celebrate those who passed. For more information, click [here](#)!

Coping Strategies

Changes are stressful as they require us to adjust and to adapt. In some cases, physical illnesses may develop or get worse when a person's capacity to adapt to change is overwhelmed. Coping strategies is an action or thought process used in meeting a stressful or unpleasant situation. The following are examples of healthy coping strategies:

- Meditation
- Journaling
- Going for a walk
- Coloring
- Giving yourself a pep talk
- Asking for Support

Some strategies may or may not work for you, or work best for specific issues or emotions. For more examples, click [here](#)!

Traffic Enforcement & Education

The Burbank Police Department is committed to ensuring the safety of the citizens in our community. Impairment, speeding, street racing, and other dangerous driving behaviors jeopardize the safety of other people on the road. Burbank PD continues to enforce traffic laws with the goal of reducing collisions, educating the citizens in our community, and keeping our community safe. This is achieved through the establishment of preventative patrols to manage specific categories of unlawful driving behavior.

Traffic enforcement strategies are based on collision data, enforcement activity records, traffic volume, and traffic conditions. Several methods contribute to our overall goal: arrests, citations, warnings, and education. Through these methods and efforts, we strive to educate our community on the importance of safe driving and we aim to keep our community safe.
