Dubbed "America's Night Out Against Crime," the event is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie to help make our neighborhoods safer, more caring places to live.

Despite the hot summer temperatures, hundreds of people from the local community stopped by to show their support. Community members were greeted with family-friendly activities. The Department also had an assortment of police vehicles and specialty units on display.

# Traffic Enforcement & Education

The Burbank Police Department is committed to ensuring the safety of the citizens in our community. Impairment, speeding, street racing, and other dangerous driving behaviors jeopardize the safety of other people on the road. Burbank PD continues to enforce traffic laws with the goal of reducing collisions, educating the citizens in our community, and keeping our community safe. This is achieved through the establishment of preventative patrols to manage specific categories of unlawful driving behavior.

Traffic enforcement strategies are based on collision data, enforcement activity records, traffic volume, and traffic conditions. Several methods contribute to our overall goal: arrests, citations, warnings, and education. Through these methods and efforts, we strive to educate our community on the importance of safe driving and we aim to keep our community safe.
