ARRESTS MADE IN CONNECTION WITH ATTEMPTED MURDER INVESTIGATION

October 29, 2021

Burbank, California – On October 28, 2021, at about 10:00 PM, Burbank Police responded to the area of Frederic Street and Chandler Boulevard after receiving multiple 911 calls of possible gun shots. Police arrived and found an adult male suffering from a gunshot wound to his arm. He was transported to a trauma center where he underwent emergency surgery. He remains in the hospital in stable condition.

Based on the Department's investigation, this was not a random act. It was evident the suspect and victim knew each other. Burbank Police identified the suspect as 37-year-old, Richard Dick V (the fifth) of Burbank, CA.

Mr. Dick was originally thought to have been hiding in a nearby residence where he has been known to reside with family. Police established a perimeter, and the home was checked, but the suspect was not located.

Early this morning, officers and detectives continued the investigation and located a vehicle believed to have been used to transport Mr. Dick away from the scene. A family member has been arrested on suspicion of aiding the suspect in his escape.

After further investigation, Burbank detectives located Mr. Dick at a residence in Burbank. Detectives arrested him without incident and booked him for attempted murder. He is being held without bail due to being on parole for an assault with a deadly weapon conviction from 2017. Detectives will present this case to the Los Angeles County District Attorney's Office for filing consideration.

The firearm used in the attempted murder, a 9mm semi-automatic handgun, is still outstanding. As this investigation is ongoing, no further information will be released at this time.

The Burbank Police Department asks that anyone with information regarding this incident call the Burbank Police Investigation Division at 818-238-3210.
