## OFFICIAL NEWS RELEASE

### ENFORCEMENT FOR CERTAIN PARKING RESTRICTIONS SUSPENDED THROUGH SEPTEMBER 7, 2020

July 15, 2020

**Burbank, California** – In March of 2020, the Los Angeles County Department of Public Health issued the Safer at Home Order as part of a continued, proactive approach towards slowing the spread of the Novel Coronavirus. As a result, the Burbank Police Department recognized that members of our community would be spending more time at home and suspended all enforcement related to certain parking restrictions on March 17, 2020. As California began to slowly reopen businesses and public recreational spaces, a decision was made to resume the enforcement of all parking restrictions in the City of Burbank beginning July 13, 2020.

On July 13, 2020, California Governor Gavin Newsom issued a new statewide order requiring the closure of certain indoor services, including indoor dining at restaurants, bars, wineries, movie theaters, family entertainment centers, zoos, museums, cardrooms, gyms and fitness centers, places of worship, offices of non-critical sectors, personal care services, hair salons and barbershops, and indoor malls. This action was in response to an increase in the spread of the Novel Coronavirus reported over the past several weeks.

Effective immediately, and in response to the current modification of the Safer at Home Order, the Burbank Police Department will once again be suspending all enforcement related to the following parking restrictions in the City of Burbank:

- Street sweeping
- Overtime parking restrictions in residential neighborhoods

Although 72-hour violations will not be enforced during this time, if Burbank Police discover a vehicle that has been obviously abandoned, enforcement action will be at the discretion of a Traffic Bureau Supervisor.

The suspension of the above parking enforcement operations **will be in effect through September 7, 2020 and is subject to extension**. Please know that our response to emergencies and other non-emergency calls for service has not changed, and we will continue to deliver uninterrupted police services in our community.

Parking citations issued between July 13, 2020 and July 15, 2020 for violations mentioned above will be dismissed. For questions related to the issuance of parking citations, please call (818) 238-3101.
