---

DATE: October 29, 2015

On October 26, 2015, between 6:40 am and 5:40 pm, a residential burglary took place in the 2600 block of N. Buena Vista Street, Burbank. The residents arrived home and found their residence had been broken into. Several computers, electronic devices, jewelry, credit cards and personal checks were stolen.

On October 27, the victim learned one of his credit cards had been used to purchase merchandise from an online website. Based on this information and other leads, investigators established a surveillance in the city of Montebello.

On October 28, Burbank Police detectives obtained and served a search warrant for a home in the 1300 block of S. Greenwood Avenue, in the city of Montebello. The detectives located several of the items stolen in the residential burglary inside the suspect's home. Those items included the stolen computers and the victim's credit cards.

A resident at the home where the search warrant was served, 34 year old Carlos Medina, was arrested for residential burglary and possession of identity theft paperwork. He was booked into the Burbank City Jail on \$50,000 bond. He is due to appear in the Burbank Branch of the Los Angeles Superior Court on Friday.

The Burbank Police Department urges folks to lock their windows and doors. Know your neighbors and their routines. Watch each other's homes and call the Burbank Police Department if you see something that is out of the ordinary. Most residential burglaries occur during daytime hours when we are away, so it's important that we watch for suspicious vehicles and people in our neighborhoods.
