OFFICIAL NEWS RELEASE

CHILD'S SPECIAL NEEDS BIKE FOUND AND RETURNED TO FAMILY!

DATE: January 28, 2016

The Burbank Police Department is pleased to announce the specialized bicycle stolen from the special needs child last weekend in the 4500 block of Clybourn Avenue has been located and returned to the family.

An alert citizen, who saw the news reports on this case last night, saw the bicycle off the side of a road in the Community of Silverlake this morning and loaded the bike into her vehicle. She called Burbank Police Department and we responded.

Investigators inspected the bike and believed it was indeed the one stolen from Burbank. Investigators took custody of the bike and brought it to the victim's home, where they confirmed it was the one stolen from their parking garage. Forensic evidence was recovered from the bike. The bike was subsequently released to the family.

While all thefts are painful for the victims, this case was obviously one that tugged at the heartstrings of our community. The Police Department, on behalf of the family, would like to thank the media for covering this story and thank the public for their help in locating the bike.

Detectives are still trying to identify the suspect seen in the surveillance footage, so he can be held accountable for his actions. If anyone knows or recognizes the man, please contact Detective Aaron Kay at (818) 238-3210.
