NOTICE OF COMMUNITY MEETING

ACQUISITION AND USE OF MILITARY EQUIPMENT BY THE BURBANK POLICE DEPARTMENT

January 25, 2023

Assembly Bill 481 (AB 481) was introduced to increase transparency and accountability for the funding, acquisition, and use of military equipment by state and local law enforcement agencies. On September 30, 2021, Governor Newsom signed into law AB 481, which went into effect on January 1, 2022, and adds California Government Code Sections 7070 through 7075.

AB 481 requires law enforcement agencies to author an annual military equipment report, which shall include a description of each type of military equipment, quantity in inventory, capabilities, purchase cost, purpose, authorized use, expected life span, fiscal impact, and usage for the year. After the report has been posted on the law enforcement’s website, a community meeting shall be held to allow the public to ask questions and discuss the report.

The Burbank Police Department is committed to transparency, public trust, community partnerships, and compliance with the law. As such, the Department has authored the [2022 Annual Military Equipment Report](#) in accordance with the requirements set forth in AB 481.
