Over \$3000 Raised for Special Olympics During Tip-A-Cop Event

Several Burbank Police Officers, Cadets and Explorers recently participated in the popular Tip-A-Cop event, which was held on April 25 at California Pizza Kitchen. Members of the Burbank Police Department took food and drink orders and delivered meals in exchange for tips to benefit the Special Olympics program and Southern California Tri-Valley athletes.

The event was a huge success with the average wait time for a table at over 30 minutes! A total of \$3,022 was raised for the Special Olympics, which is enough to sponsor six athletes for an entire year. This event's earnings surpassed both events held in 2017 in the City of Burbank.

2018 Matthew Pavelka Scholarships Awarded

On May 9, the 2018 Matthew Pavelka Scholarships were awarded to high school seniors who have demonstrated outstanding efforts in pursuit of an educational or vocational goal. The scholarship awards presentation took place during the Burbank City Council meeting.

The Burbank Police Foundation's Matthew Pavelka Scholarship Awards Program was established in honor of Burbank Police Officer Matthew Pavelka, who was killed in the line of duty on November 15, 2003. The purpose of these scholarships is to motivate students to dedicate themselves more thoroughly and responsibly to their education and training, and to encourage them to strive for excellence and distinction in whatever field of study they choose.

The Burbank Police Foundation contributes to, and partners with, numerous charities, community groups and organizations. The Matthew Pavelka Scholarship Awards Program is one of many of the Burbank Police Foundation's cherished philanthropic activities.

Burbank Police Set for 2018 Special Olympics Torch Run

On June 6, several members of the Burbank Police Department will participate in the 2018 Special Olympics Torch Run. Around 12:30 P.M., members of the Burbank Police Department will receive the torch in a hand-off from the Los Angeles Police Department at Riverside Drive and Clybourn Avenue. The torch will then be carried eastbound along Riverside Drive to Alameda Avenue, before making its way up Olive Avenue, past Burbank City Hall to the Burbank Police Station. After a photo opportunity, the torch will be carried south along Glenoaks Boulevard to Alameda Avenue, where it will be handed-off to members of the Glendale Police Department. The public is encouraged to come out and cheer on our runners.

Drug Take Back Nets Nearly 600 Pounds

On April 28, the Burbank Police Department hosted the Drug Take Back Event in collaboration with the Drug Enforcement Administration and National Drug Take Back Day. The purpose of this event was to provide the public with a safe method of disposal for unused, unwanted, or expired medications, and to reduce the misuse of these drugs. Between 10 A.M. to 2 P.M., citizens were able to relinquish their medications on a "no questions asked" basis with complete anonymity. The Burbank Police Department collected 560 pounds of medication during the event, which was nearly 20 percent more than what was collected last April.
