BURBANK ANIMAL SHELTER RECEIVES \$5,000 PETCO FOUNDATION GRANT

The Burbank Animal Shelter has been awarded a \$5,000 grant from the Petco Foundation through the Holiday Wishes Grant Campaign. The Petco Foundation grant will be used to enhance the quality of life of shelter animals by providing needed medications, veterinary care, surgical equipment, and facility enhancements to improve operations.

The Burbank Animal Shelter entry was one of some 4,500 submitted to the Petco Foundation from throughout the nation. The grant was based upon the story of Remi, a 2-year old female Rottweiler who was hit by a car and left in the street alone, and in pain. Fortunately, she was discovered by one of the dedicated Burbank Animal Shelter employees. Remi was brought into the Shelter where she was treated and cared for until she was adopted by a loving family in Agua Dulce.

“We are thrilled to have been awarded this grant from the Petco Foundation. It is a testament to the hard work and level of care provided by our dedicated staff,” said Brenda Castaneda, Animal Shelter Superintendent.

In 2012, the Petco Foundation surpassed \$100 million in funds raised for companion animals since the organization was created. To learn more, visit www.petcofoundation.org.
