About Burbank Animal Shelter

The City of Burbank Animal Shelter has been providing quality Animal Control services since the 1950's. Our mission is to return lost animals to their owners, to find loving homes for stray animals and to control overpopulation through consistent spay/neuter efforts. We strive to eliminate animal suffering by educating the public and enforcing the humane treatment of animals.

About North Shore Animal League America

North Shore Animal League America—the world's largest no-kill rescue and adoption organization—has saved the lives of over 1 million dogs, cats, puppies and kittens at risk of euthanasia. Through our many innovative programs, we reach across the country to rescue animals from overcrowded shelters, unwanted litters, puppy mills, natural disasters and other emergencies and find them responsible, loving homes. As a leader in the no-kill movement, we are dedicated to promoting shelter pet adoptions; encouraging spay/neuter programs; reducing animal cruelty; ending euthanasia; and advancing the highest standards in animal welfare. Please join us in saving the lives of innocent animals by donating to support our lifesaving mission.
