

Burbank Police Department

Scott La Chasse, Chief of Police

LESSON PLAN

LESSON TITLE: Monthly Motor Officer Training

INSTRUCTORS: Motor FTO Randy Lloyd

LESSON TOTAL TIME: 10 hours

LEARNING OBJECTIVE: to reinforce perishable police motorcycle street and canyon riding skills

COMPLETION STANDARDS: practical cone riding test

INSTRUCTIONAL METHOD: lecture / demonstration / performance

RESOURCES NEEDED: Traffic Bureau motorcycles and safety equipment

LESSON PLAN REVISION DATE: 2-4-21

APPROVAL: Lt. John Pfrommer / Sgt. Justin Meadows / Sgt. Todd Fatta

| CONTENT | INSTRUCTOR NOTES |
|---|--|
| Lecture Discussion Instruction and Demonstration Practical Application | The Motor FTO will verbalize and demonstrate POST and additional cone patterns. The officers will then ride each pattern with trainer input as needed. |
| Test | Motor Officers will demonstrate proficiency in riding skills and ability to safely operate their assigned police motorcycles by successfully completing the following cone patterns: modified W, offset 90's, figure 8, big O, 40 decel, 180 decel, #3 and long cones. |
